During this worldwide pandemic, it is a great time to praise God for what we have and to ask him for his protection over our families and world. Let us remember, and not lose sight of, who is in control!

Praise the LORD...Praise him with the sounding of the trumpet, praise him with the harp and lyre, praise him with tambourine and dancing, praise him with the strings and flute, praise him with the clash of cymbals, praise him with resounding cymbals. Let everything that has breath praise the LORD."
